Who was Mark Korff and what is the foundation about?

Mark Korff tragically died from injuries he suffered in a motorcycle accident in 1998. He was a star football player at Kennedy High School and the defensive captain middle linebacker for the Florida Gators. Mark played professionally for the SF 49ers and in the CFL. He was a gentleman and amazed us with his special way with children. Mark was Godfather to many of his friends' children. He really loved kids and always made them feel special.

Special needs students from Simi Valley and Royal High School enjoy a golf clinic at Porter Valley CC. They also got to team up with sponsors for a tournament and dinner.

The Guardian Godfather Foundation benefits needy children and promotes underprivileged kids involvement in youth sports. We also support a variety of other non-profit charities related to kids. In the past several years we have given \$17,500 to the Children's Court of Los Angeles for abused kids to attend Lakers basketball camps and other ventures. We also gave \$16,000 to the kids from Pacoima Junior Golf, \$15,000 to the El Cariso Junior Golf Camp and over \$19,000 to a variety of college, high school and youth sport programs.

Please join us as we pay tribute to Mark Korff and raise money in his honor. Our Foundation operates under the Celebrity Fund for Children's Charities a Non-Profit 501(c)(3) Corporation. Tax ID#20-1250075.
